

Redmine - Patch #10628

Generate issue export filename with project name

2012-04-10 13:57 - Dmitry Babenko

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Description			
When you try to export issues to csv or pdf filename looks like: export.csv or export.pdf. It would be better if filename with have a project name. E.g. Redmine - Issues.csv or Redmine - Issues.pdf			
Github pull request https://github.com/edavis10/redmine/pull/49
